## **About FC Barcelona**

FC Barcelona was founded on November 29, 1899 by initiative of a Swiss gentleman called Joan Gamper. He and a small group of collaborators created the club which has come to reflect public awareness of a welcoming and caring nation, Catalonia. From president Walter Wild to Josep Maria Bartomeu, Barça has grown into a massive social phenomenon that reaches far beyond the bounds of mere sport. The club has grown along with the city around it, and has come to represent Barcelona and Catalonia all around the world.

FC Barcelona now has more members than any other football club in the world and its achievements have also made it one of the most successful. Few clubs have won as many major titles as FCB. These include 4 Champions Leagues, 22 Spanish Ligas, 26 Spanish Copas, 11 Spanish Supercups, 4 European Supercups, 2 Clubs World Cups and 4 European Cup Winners Cups. A number of players have also won major individual honours while at Barça including 4 Ballon d'Or wins for Leo Messi.
